**HT-58V2Ah  
PROFILE**

**FEATURES**

**BENEFITS**

**58V lithium ion 2Ah battery as standard**

- ✓ Fits other ECHO 58V battery products
- ✓ Optional 4Ah battery

**Brushless motor**

- ✓ Long lasting and maintenance-free, due to non-wearing parts – Reduces downtime and servicing costs

**Double-reciprocating blades**

- ✓ For a cleaner cut
- ✓ Blades are self sharpening because of the action of the teeth

**610mm double-sided blades**

- ✓ Long reach means reduced user effort and need for repositioning

**Upto 3/4" cut capacity (19mm pitch)**

- ✓ For thicker material

**Anti-jam technology**

- ✓ For continuous cutting

**Ultra-low noise**

- ✓ Allows continuous operation in noise sensitive areas

**Quick charger**

- ✓ Quick charging time reduces downtime

**WHY CHOOSE A BATTERY PRODUCT?**

**LOW NOISE**

Enjoy some quiet time. Power without the noise

**LOW VIBRATION**

Less stress on your body means reduced fatigue

**LOW RUNNING COSTS**

No more petrol bills

**ZERO EMISSIONS**

Better for the environment you work in

**EASY TO USE**

No more fuel filling or cold starting, just charge up and go

**EXTENSIVE WARRANTY**

ECHO 58V Battery products come with a two year domestic warranty or a one year warranty in professional use. 58V batteries come with a two year warranty.

(Registration of ECHO products and servicing are necessary to validate the warranty)
