**DST-58V2Ah
PROFILE**

FEATURES

BENEFITS

**58V lithium ion 2Ah battery
as standard**

Small and lightweight but with enough power to tackle tough jobs

✓ Fits other ECHO 58V battery products

Optional 4Ah battery for a longer run-time

Brushless motor

✓ Long lasting and maintenance-free, due to non-wearing parts –
Reduces downtime and servicing costs

Ergonomic front handle

✓ Provides excellent manoeuvrability and user comfort

Speed-Feed 400 trimmer head

✓ Reloads in seconds without disassembly

Variable speed control

✓ Enables optimised cutting power, precision and run time

Hi-Lo speed switch

✓ Select output for maximum performance or longer run-time

Quick charger

✓ Quick charging time reduces downtime

WHY CHOOSE A BATTERY PRODUCT?

⚡ **LOW NOISE**
Enjoy some quiet time. Power without the noise

⚡ **LOW VIBRATION**
Less stress on your body means reduced fatigue

⚡ **LOW RUNNING COSTS**
No more petrol bills

⚡ **ZERO EMISSIONS**
Better for the environment
you work in

⚡ **EASY TO USE**
No more fuel filling or
cold starting, just charge
up and go
