

# D. W. Tomlin

## Price List

## June 2021

**D. W. Tomlin is a family owned and run machinery manufacturer that has been established for over 60 years in the heart of Lincolnshire. Our products are designed and manufactured on site, utilising high quality materials and craftsmanship for products that last. We also have longstanding partnerships with high quality European manufacturers to compliment our range when it is not economical to manufacture in house.**

**All orders to dealer's premises (UK mainland) are subject to a carriage charge of £50 nett.**

**All prices are recommended retail excluding VAT**

**The HP listed is the minimum required to operate the machine.**

**Please contact sales office for further details of terms & conditions.**

**D. W. Tomlin reserves the right to change or improve specifications etc. without prior notice.**
